

Branching Out

What are you **passionate** about? Remember this doesn't necessarily have to be treatment/exercise based or even physical therapy based. Think about **what you love to do** and what you are passionate about and write it in the space below.

Branching Out

Narrow down those passions to 2-3 items and then think about the skills you would need to make them come to life. Write those skills in the space below.

Branching Out

Whether you are a business owner or not, **what can you bring** to the clinic to improve the overall function of that clinic? How can you take a **leadership role** in the clinic by bringing in something new? Think about creating a **special interest group** (SIG) in your clinic to **collaborate** with coworkers. Write down all of the ideas that you can bring to your clinic in the space below. Remember no idea is too big or too small!
